

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Resolved, That the Secretary of War and the Secretary of the Navy be requested to furnish annually, on the first of January, each member of the Senate with a copy of the Register of the officers of the Army and Navy of the United States.

[Agreed to by the Senate December 13, 1815.]

Resolved, That the Secretary of War cause to be annually laid before this House a number of copies of the printed Army list, equal to the number of members of the House.

[Agreed to by the House of Representatives February 1, 1830.]

[Extract.]

Resolved. * * * That there be annexed annually hereafter to the Army Register an accurate schedule of the pay and emoluments, with the commutation value thereof, to which the various officers of the Army of each grade are entitled.

[Adopted by the House of Representatives August 30, 1842.]

SEC. 1226. * * * The highest volunteer rank which has been held by officers of the Regular Army shall be entered, with their names respectively, upon the Army Register.

[Revised Statutes of the United States.]

AN ACT Making appropriations for the support of the Army for the fiscal year ending June thirtieth, eighteen hundred and seventy-nine, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, * * *

SEC. 2. That in every Official Army Register hereafter issued, the lineal rank of all officers of the line of the Army shall be given separately for the different arms of the service; and if the officer be promoted from the ranks, or shall have served in the volunteer army, either as an enlisted man or officer, his service as a private and noncommissioned officer shall be given, and in addition thereto the record of his service as volunteer.

[Approved June 18, 1878.]

NOTES AND EXPLANATIONS.

Officers are credited with actual service in the permanent establishment from date of acceptance, except in the case of graduates of the Military Academy, whose services commence from date of admission to the Academy.

Officers are credited with actual service in the volunteers from date of muster into the service of the United States, or from date of acceptance in the cases where service was rendered under a commission by the President of the United States.

This mark (†) denotes an anomalous position by sentence of general court-martial.

Under the heading "Appointed from" the initials "M. A." denote that the officer is a graduate of the Military Academy.

The initials "M. H." under the name of an officer denote that a Medal of Honor has been awarded him.

Errors or omissions should be immediately reported to The Military Secretary of the Army by those concerned.

NOTE.—Sections 1104 and 1108, Revised Statutes, provide that the enlisted men of two regiments of cavalry and two regiments of infantry shall be colored men.

^b The *Aides-de-Camp* to general officers, being taken from the corps or regiments, in the strength of which they are included, are, to avoid counting them *twice*, excluded, as *Aides-de-Camp*, from the columns "total commissioned" and "aggregate."

^c Assistant Surgeons have the rank, pay, and emoluments of First Lieutenants of Cavalry for the first *five* years' service, and the rank, pay, and emoluments of Captains of Cavalry after *five* years' service. [Sec. 4, act June 23, 1874.]

^d By section 9 of the act of March 3, 1853, a Lieutenant of Engineers, having served fourteen years continuously as Lieutenant, is entitled to promotion to the rank of Captain; but such promotion is not to increase the whole number of officers in the Corps.

^e Sec. 12 of the act of February 2, 1901, provides "That the President is authorized to appoint, by and with the advice and consent of the Senate, Chaplains in the Army, at the rate of one for each regiment of cavalry and infantry in the United States service, and twelve for the Corps of Artillery, with the rank, pay, and allowances of captains of infantry." By the act of June 12, 1906, one Chaplain is authorized for the Corps of Engineers. By the act of April 21, 1904, the President may select from among the Chaplains of not less than ten years' service, in the grade of Captain, those who have been commended as worthy of special distinction for exceptional efficiency, and may, by and with the advice and consent of the Senate, promote such to be chaplains with the grade, pay, and allowances of Major; the number in active service so promoted shall not at any time exceed *seven*. The remaining Chaplains shall have the grade, pay, and allowances of Captain, mounted, after seven years' service. Chaplains appointed after April 21, 1904, shall have the grade, pay, and allowances of First Lieutenant, mounted, until they shall have completed seven years' service.

^f By the act of March 3, 1873, the Secretary of War is authorized "to select from the Sergeants of the line of the Army, who shall have faithfully served therein *five* years, *three* years of which in the grade of noncommissioned officer, as many Commissary Sergeants as the service may require, not to exceed one for each military post or place of deposit of subsistence supplies, * * *"

^g The Secretary of War is authorized to appoint as many Post Quartermaster Sergeants as he may deem necessary for the interests of the service, not to exceed *two hundred*.

*The act of March 1, 1887, organizing the Hospital Corps, provides that it shall consist of Hospital Stewards, Acting Hospital Stewards, and Privates, and that it shall be permanently attached to the Medical Department, and shall not be included in the effective strength of the Army nor counted as a part of the enlisted force provided by law.

The act of March 2, 1903, provides "that hereafter the Hospital Corps of the United States Army shall consist of sergeants first class, sergeants, corporals, privates first class, and privates."

Sec. 2 of the act of March 2, 1899, provides for two veterinarians for each regiment of cavalry, one of whom "shall have the pay and allowances of a second lieutenant of cavalry, and one shall have the pay of seventy-five dollars per month and the allowance of a sergeant major." Sec. 20 of the act of February 2, 1901, abolishes the grade of veterinarian of the second class in cavalry regiments, and provides that hereafter the two veterinarians authorized for each cavalry regiment and the twelve veterinarians authorized for the Artillery Corps shall receive the pay and allowances of second lieutenants, mounted. Veterinarians are not included in the organization table.

REMARKS.

1. All officers paid under this table below the rank of rear-admiral or brigadier-general are entitled by law to 10 per centum upon the full yearly pay of their grades for each and every period of five years' service, as increase for length of service, or "longevity pay," computed upon their total actual service in Army, Navy, and Marine Corps; provided that the total amount of such increase shall not exceed 40 per cent upon the full yearly pay of the grade; and provided further that the pay of a captain in the Navy or colonel of Marines shall not exceed \$4,500 per annum and that of a commander in the Navy or lieutenant-colonel of Marines \$4,000 per annum.

2. Army act March 2, 1901, provides: "That hereafter the pay proper of all officers and enlisted men serving (on shore) beyond the limits of the States comprising the Union and the territories of the United States contiguous thereto, shall be increased 10 per centum for officers * * * * * over and above the rates of pay proper as fixed by law in times of peace, and the time of such service shall be counted from the date of departure from said States to the date of return thereto: *Provided further*, That officers * * * * * who have served in China at any time since the 26th day of May, 1900, shall be allowed and paid for such service the same increase of pay proper as herein provided for."

(a) "Officers of the Navy and officers and enlisted men of the Marine Corps who have been detailed or may hereafter be detailed for shore duty in Alaska, the Philippine Islands, Guam, or elsewhere beyond the continental limits of the United States shall be considered as having been detailed for 'shore duty beyond seas,' and shall receive pay accordingly, with such additional pay as may be provided by law for service in island possessions of the United States." (Act March 3, 1901.)

(d) The base pay plus longevity increases is the "pay proper" upon which total the 10 per cent increase for "shore duty beyond seas" is computed. (Comp. Dec., Apr. 13, 1906.)

3. Section 13 of the act approved March 3, 1899, entitled "An act to reorganize and increase the efficiency of the personnel of the Navy and Marine Corps of the United States," is hereby so amended as to provide that nothing therein contained shall operate to reduce the pay which, but for the passage of said act, would have been received by any commissioned officer at the time of its passage or thereafter. (Act June 7, 1900.)

4. Officers of the line, Medical and Pay Corps of the Navy, retired prior to the passage of the act approved March 3, 1899, continue to receive the same pay on the retired list that they received before the passage of said act. Those retired subsequently receive 75 per cent of pay (salary and increase) of their rank.

(a) During a period of twelve years from the passage of this act any naval officer on the retired list may, in the discretion of the Secretary of the Navy, be ordered to such duty as he may be able to perform at sea or on shore, and while so employed shall receive the pay and allowances of an officer of the active list of the grade from which he was retired. (Act June 7, 1900.)

(b) Officers on the retired list ordered to active duty are not entitled to count the time spent on the retired list in computing their longevity increase of pay. (Comp. Dec., Feb. 4, 1905.)

This provision shall take effect from and after July 1, 1905, but any enlisted man then in the service that holds such a certificate shall not be deprived of the benefits of the same during the term of enlistment under which he is then serving.
